This matter is before the Court on Plaintiff's Motion to Remand (Doc. 9) and Defendant's Response to Plaintiff's Motion to Remand (Doc. 10).

Plaintiff moved to remand, asserting that the requisite jurisdictional amount does not exist in this case as supported by his Affidavit. Defendant responded by consenting to remand on the grounds the Plaintiff has stipulated that he will not seek or accept a settlement or judgment exceeding \$75,000.00 in resolution of all claims he asserts in this action arising from the incident that occurred on October 17, 2019.

After review of the Plaintiff's motion and Defendant's consent, the Court finds that the Motion to Remand should be granted.

It is hereby ORDERED that Plaintiff's Motion to Remand (Doc. 9) is granted and this case is remanded to the Circuit Court of Richland County, South Carolina.
